Recommended Courses for Students Planning to Transfer to VWU

Students planning to transfer from Tidewater Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—they would put students ahead by having additional courses completed toward the major.

Students who complete the Associate of Art or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).

Political science (BA)

Required Courses	Elective Courses
POLS 103: Global Realities or POLS 210: Intro to International Relations	PLS 241: International Relations I
POLS 112: Introduction to American Government	PLS 130: Basics of American Politics or PLS 211: U.S. Government I

While all courses with passing grades are accepted as transfer credit, some major requirements include prerequisites for which a grade of "C" or better must be earned.
