ENVIRONMENTAL STUDIES (BA)

Recommended Courses for STUDENTS Planning to Transfer to VWU

Students planning to transfer from Thomas Nelson Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. **Green** courses are required for the major. **Blue** courses are encouraged—completion of these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—they must be completed with a grade of "C" or better. **Red** courses are not required for the major.

Students should consult the advisor of the student's choice for more information about the VWU environmental education program except for the junior/senior seminar (WES 300).
