WOMEN SANDGENDER STUDIES (BA)

Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer from Thomas Nelson Community College to Virginia Wesleyan University should complete the following courses. **Blue** courses are required for the major. **Green** courses are recommended. **Red** courses are encouraged. **Yellow** courses are optional. **Orange** courses are not required but may provide an additional year of education regarding the issues. Courses in blue are encouraged—they would put students ahead by having additional courses completed toward the major.

Students who complete the Associate of Arts or Associate of Science degree will satisfy all of the VWU general studies program except for the junior/senior seminar (Seminar 3).
