PROGRAM GUIDE

COMPUTER SCIENCE (BS)

Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from a school within the Virginia Community College System (VCCS) should take the courses below. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—

Students who complete the Associate of Arts or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).

COMPUTER SCIENCE (BS)

VWU COURSE	VCCS EQUIVALENT
CS 172: Intro to Computer Science	Computer Science I
MATH 171: Calculus I	Calculus I
MATH 172: Calculus II	Calculus II
	Statistics I
MATH 212: Linear Algebra	Linear Algebra
PHYS 221: University Physics I	University Physics I

While all courses with passing grades are accepted as transfer credit, some major requirements include prerequisites for which a grade of "C" or better must be earned.
