

TRANSFER GUIDE

Students planning to transfer to Virginia Wesleyan University from a college within the Virginia Community College System (VCCS) should consult this guide to ensure that the courses they complete at their current college will transfer to VWU. Courses in black are strongly recommended—students who do not complete these courses may require additional coursework to complete their degree. Courses in blue are encouraged—these courses may not be required but are recommended for a smoother transition to VWU. All other courses may be used to satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).
